

Services

Welcome to Security Sri Lanka Installers, we are specialist CCTV installers and we offer a full range of security services. As well as CCTV systems we can also offer audio/video systems and alarm installations. We are a CCTV Company who offer a wide range of surveillance systems to the commercial and domestic market across the Taiwan.

- Home and Business CCTV Systems
- Friendly and well-trained staff
 - 12 Month Warranty
 - Free Quotes
- Professional CCTV Installers

Our CCTV installers are based around the country, servicing their local areas.

All are extremely experienced and have many years in the surveillance industry. Whether you are looking for a simple home burglar alarm installation or a multiple camera commercial CCTV system we can help you out.
